

Join The Surrey Vision Action Group

Who we are?

We are a friendly group of blind and visually impaired people from all over Surrey who meet quarterly either online via Zoom or in person in Leatherhead.

What we do?

The group has an active role in working with Surrey County Council and Sight for Surrey to ensure services and facilities across Surrey meet the needs of people with sight loss or dual sensory loss.

Who can join?

Anybody that lives in Surrey and is blind or visually impaired. Carers of blind or visually impaired people are more than welcome to join too.

How to join?
